

Fence Permit Required as of 7-1-24

A **Fence Permit** is required for all new fence installations within the Town of Thompson's Station.

This new measure helps ensure that fences are properly located and do not interfere with essential areas.

No fence shall:

- ☒ **Encroach into Rights-of-Way**
- ☒ **Conflict with sight triangles, sight visibility, intersections, or driveways**
- ☒ **Block an access easement**
- ☒ **Encroach into drainage easements, swales, or other stormwater devices without mitigation measures**
- ☒ **Encroach into any utility easement without the easement holder's approval**
