P.O. Box 100
Thompson's Station, TN 37179

DATE: September 21, 2018
TO: Parks and Recreation Advisory Board
FROM: Wendy Deats, Town Planner 
SUBJECT: **Preservation Park Projects** MTEMC Undergrounding

MTEMC Undergrounding of the electricity

The Parks Board approved a project to underground the electricity within Preservation Park. Staff has meet with MTEMC and a cost was determined which was approved by the Board of Mayor and Aldermen on August 14, 2018.

Staff will perform the work necessary with MTEMC for the undergrounding. Staff has received quotes for the cost of the electrical supplies necessary to underground the electricity through Preservation Park to the maintenance buildings and to the structure that will be converted to a bathroom. Once the cost for the supplies is approved, Staff will be able to place the order and complete the project.

The quotes are attached, however, the cost is as follows:

Discount Plumbing - \$5737.29
City Electric Supply - \$6554.71
CED - \$7063.44

Staff recommends the approval of the Discount Plumbing quote.
